- b. Public Works is requesting an ARPA Funds commitment for the Public Works DNR water/wastewater grant request. Grants are for \$3,050,000 for wastewater and \$2,040,000 for water, so the 10% match would commit \$509,000 of ARPA funds to the program. If the grant is not approved, then ARPA funds would no longer be committed and could be spent otherwise.
- c. John Arnold has been monitoring cameras for the City for free for about 6 months now, and he only agreed to do it free for a couple of months. Other businesses pay for the service. He and I discussed this, and he will continue monitoring the nine (9) Parks cameras for us for \$10/month per camera. (\$90/month)
