## SUMMER MEANS LAWNCARE

Help us keep the City of St. Clair Beautiful!!!

all lawns must be kept well maintained at 7 inches or shorter in height. Lawn clippings must be bagged up or blown back into yard. Blowing your excess lawn clippings into the road is **ILLEGAL**. These clippings can end up in storm drains, causing build-up and drainage issues or even localized flooding. Additionally, tires struggle to stop as easily on grass clippings, especially so on motorcycles. When a motorcycle hits grass clippings, it's like ice.
